

DIRECTIONS TO SECOND WIND RETREAT (coming from the south)

From Atlanta, take I-75 North to I-575 and stay on this road until you reach Blue Ridge. (It eventually turns in to 515.)

You can use GPS before reaching Blue Ridge, then definitely use the directions below. (80% of guests who continue to use GPS all the way get lost.)

At the Home Depot/McDonald's in Blue Ridge, turn **left (north) on Route 5** and continue toward McCaysville for about **3.5 miles**.

Then turn **left on Route 2**. (There is a turn lane and a Freeman Gas sign on that corner.)

Stay on this road for a little over 5.5 miles and take a **left on Devil's Den Road**. (Look for Second Wind sign.)

Continue 2+ miles on Devil's Den Rd. You will continue past the "Indian Ridge" sign.

After you pass a log house on your left, go about a quarter mile and look for a board fence and **blue house** and garage on your left. Turn in here...**2187 Devils Den Rd**.

We will take you up to the Retreat at **2430 Devils Den Rd**.

If for some reason we are not at home when you arrive, please continue down the road to the Retreat. Go about 1/8 mile and turn in at the **first driveway on your right** (with a little blue "2430" sign). We will leave the Retreat key under the front door mat, and catch up with you when we return.

Our Phone: **706-632-5567** or 678-571-1936 (cell)

(Once you get back in here, your cell phone probably won't work.)
